GELOSOPHY

Product Description

Gelosophy is a specially formulated soak off UV/LED nail polish with proprietary rights. Gelosophy is a non-solvent UV gel polish. It provides the nail professional a primary or add on service. Gelosophy comes with a primary color pallet of 120 and fashion oriented seasonal collections. Gelosophy, a non-solvent UV/LED that has the perfect viscosity for easy application in thin layers reducing any excess volume.

Features & Benefits

- 120 Colors
- Pure Gel
- Intesive colors
- Great coverage
- LED/UV
- Soakable
- Easy and thin application
- Highest quality brush that remains flexible without splitting for smooth application
- Grip brush handle for secure brush control

Usage

Lightly roll the bottle between hands. Apply Base Gel (the natural nail plate should be prepped prior to application.) and cure for 10 seconds in the Astonishing UV/LED gel lamp. Open the bottle from the color pallet (see color chart) and wipe one side of the brush on the neck of the bottle. Apply Gelesophy color over the entire surface of the natural nail or nail enhancement and cure for 30 seconds (a second coat is optional based on color choice). Apply No-Cleanse Top Gel for thirty seconds to finish.
